Edizioni è l'espressione più alta del design di Billiani. Maestri nella lavorazione del legno, negli ultimi anni abbiamo spinto la nostra ricerca formale verso modelli sempre più evoluti. Per farlo, abbiamo attinto alla creatività dei designer e alle conoscenze del distretto friulano della sedia, riscoprendo abilità tecniche e manuali quasi scomparse. Edizioni è l'esito di questo lavoro, una collezione di ricerca che diventa espressione di un patrimonio culturale e di una tradizione manifatturiera unica al mondo.

Edizioni is the peak expression of Billiani design. Masters in woodworking, in recent years we have pushed our formal research towards increasingly advanced models. To do this, we have drawn on the creativity of designers and the knowledge of the Friulian chair district, rediscovering technical and manual skills that had almost disappeared. Edizioni is the outcome of this work, a collection of research that becomes an expression of a cultural heritage and a manufacturing tradition unique in the world.
